

# Rio Americano Personalized Senior Parking Agreement and Guidelines

Rio Americano is excited to continue the tradition of selling personalized senior parking spaces. Proceeds from the sale of senior parking spots go directly towards funding Safe & Sober Grad Night.

Seniors may purchase an assigned parking spot for \$150. For those wanting to guarantee early pickings, we will be selling 15 premium spots at \$300 each. The order in which these 15 spots are to be chosen will be on a first come, first serve basis and will be awarded in order of time purchased. All seniors purchasing parking spots choose their spot during the "Choose-your-spot" day at the Senior Class Schedule Pick-up, Wednesday, August 8<sup>th</sup> at 11am sharp. After the 15 premium spots are chosen, names will be randomly drawn and students will pick their spots in the order that the names are drawn. If you are unable to attend, you can designate a friend to choose for you, or you may choose your spot the morning of August 18th. **Seniors must submit a sketch to the Grad Night Committee for approval by 3:00 PM on August 15th** . Deviating from the approved sketch will result in loss of spot WITHOUT refund. Sketches must adhere to Rio Americano's rules and regulations as described in the Student Parent Handbook. Seniors must follow their approved design sketch exactly – no changes. Seniors must keep a copy of their sketch to refer to on Paint Day.

## PAINT YOUR SENIOR PARKING SPOT DAY

Saturday, August 18

9:00 AM – 5:00 PM (No painting will be allowed to begin after 3:00 PM)

### Painting Guidelines

1. Upon arrival, check-in at Grad Night Committee tent where you will confirm your correct spot and check out a roll of tape to borrow for marking the edge of your 10 ft X 5 ft painting surface.
2. Bring a copy of your approved sketch. Deviating from this approved sketch will result in loss of spot WITHOUT refund. School administration will have a copy of sketches on file as proof of what has been approved.
3. Mark the boundaries of your 10 ft X 5 ft painting area for your design with tape. All designs must stay within the 10 ft X 5 ft rectangle. Place tape on the ground along the edge of the rectangle to create painting border. Painting is ONLY allowed within 10 ft X 5 ft area.
4. **Immediately** return the roll of tape to the Grad Night Committee tent. Other seniors will be waiting to use the tape. When returning tape, verify again with the committee that you are ready to paint the correct spot. There will be a diagram for reference.
5. You may now begin painting!
  - a. You must supply your own **Exterior Semi-Gloss Enamel** paint (recommended), paint brush, rollers, trays, bucket, painter tape, stencils, trash bags and any other painting supplies as needed.
  - b. **You may NOT bring the following:** oil-based paint, reflective/florescent paint, spray paint, airless paint sprayers, glitter or clear coat (too slippery when wet).
  - c. It would be helpful to bring a tape measurer and a broom (to sweep area clear before painting).
  - d. Bring chalk to sketch your approved design before painting.
  - e. Bring buckets and/or small containers to mix your individual colors as needed.
  - f. Bring a drop cloth (old sheet or tarp). Bring paper towels and rags to help cleanup spills.
6. Once you are done painting, remove border tape; gather all your painting supplies, empty paint cans, and garbage and place in your bucket and your garbage bags to bring home with you for disposal at home. **There will be no disposing of garbage at Rio.**

Parent and student agree to the terms and conditions as described above.
